

## EMBRACING CHAOS

Walk away from this inspiring discussion with a fresh perspective on chaos—when to create it, when to embrace it, and how to keep it from overwhelming you.

You'll learn how to consciously step in and out of chaos, taking responsibility for your own without being consumed by others' drama. By exploring how chaos flows through your life, you'll gain the insights to manage it effectively, rather than letting it control you.

**"CHAOS IS THE DOORWAY TO CHANGE."**

— Maria Cristini

## REIMAGINING WORK as a WILDLY SATISFYING OPPORTUNITY

In this eye-opening presentation, Maria redefines W.O.R.K. with a powerful acronym that will leave you personally inspired and eager to help others pursue careers they are passionate about.

Why not enjoy the time you spend doing what you call work?

Attendees will walk away having answered key questions that spark transformative shifts, empowering you to create a more fulfilling and joyful work experience for yourself and others.

## HARVESTING GRATITUDE and CELEBRATION

This session invites participants to pause, reflect, and express gratitude before embarking on the next phase of their year, project, or life as a whole.

Designed to honor achievements through gratitude and appreciation, this reflective session emphasizes the importance of celebrating milestones and recognizing your contributions. Participants will cultivate gratitude, helping them approach their next goals with renewed energy and a more holistic vision for the future.

**"IT'S IMPORTANT TO PAUSE WHEN YOU'VE ATTAINED SUCCESS, REACHED A GOAL, OR IMPACTED SOMEONE'S LIFE. REFLECT AND CELEBRATE WHO YOU WERE BEING."**

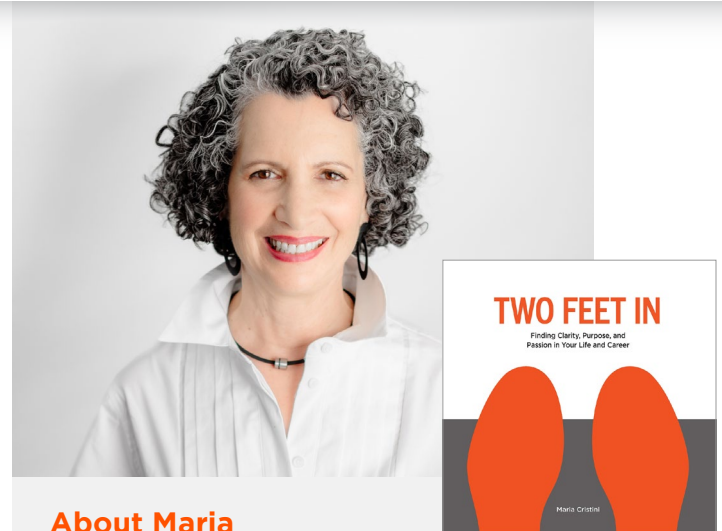

— Maria Cristini
